Midway Boosters: Looking Back and Looking Forward

The Midway Boosters are pleased to inform the citizens of Midway of their projects and accomplishments completed during 2012 under the leadership of Joe Linford, President.

In Spring the Boosters hosted the Swiss Miss Pageant which resulted in one of the most elegant and talented Swiss Miss Courts ever. Queen - Olivia Kelson and Royalty - Kara Scott, Ashton Sims, Tory Turner & Naddalena Willis participated in many events throughout the year, representing our City with grace and poise.

Flower baskets were purchased and hung on Main Street lamp posts to beautify our city and several of our local arts organization received donations to help finance their local activities.

At our annual 4th of July Celebration on Town Square, Dennis and Georgia Dawn Clegg were celebrated as honored citizens for their faithful service to the City of Midway and a wonderful patriotic speech was given by Stephen Studdert, Midway citizen and former adviser to three US Presidents.

The Boosters sponsored the annual fireworks celebration and work was completed on the upgrade of the Town Hall Glockenspiel and new clock. The glockenspiel was mechanically rebuilt and new electrical controls installed. A ChimeMaster computerized music system was installed to operate the glockenspiel and to play Sunday Hymns and holiday music via a carrillon of bells.

In late summer the Boosters contributed to the Swiss Days Celebration by sponsoring the Swiss Days Parade and entertainment in the Town Hall; the Swiss Belles, Swiss Chorus and other groups contributed to the festive spirit of the occasion. For the youth of our city, the Boosters funded four scholarships to help ease the burden of college tuition.

Later, the holiday season resonated with the Swiss Christmas Festival which featured holiday shopping opportunities with non-stop entertainment including an outstanding performance by Merle Osmond which left the audience standing in appreciation and wanting more. As a part of the Swiss Christmas Celebration the Midway Boosters hosted The Inter-faith Creche' Exhibit at The Homestead where hundreds of nativities and art were exhibited. The holiday season concluded with the donation of 30 food baskets to the needy in Midway.

The Boosters are now turning their attention to 2013, a new year of opportunity and service to the Midway Community. New officers for 2013 are:

Fred Thomas - President, Doug Jenkins - Vice President, Don Whitehead - Treasurer and Karla Jenkins-Secretary. The Boosters will be addressing the need to upgrade the Old City Cannery on Main Street over the next several years. Funding for the Midway Boosters is exclusively through the proceeds of Swiss Days and donations from local citizens. If you would like to donate to the Boosters you can do so by contacting any of the officers.

Midway, UT

Located in the beautiful Heber Valley, Midway was first settled in 1859 by English immigrants, and shortly later by Swiss settlers who felt right at home in the beautiful alpine setting.

Today the culture, values and many of the rich traditions of the original Swiss settlers continue and thrive. Many homes are built in a style reminiscent of Swiss architecture and feature painted cornices and pastoral scenes similar to those found in Europe.

Midway is home to the annual Swiss Days Celebration, Swiss Christmas, Swiss Miss Pageant, Swiss Chorus, Swiss Belles and a fabulous nondenominational Crèche exhibit.

Historic Town Hall, located on the City Square, is home to our original design musical clock glockenspiel whose twirling Swiss figurines dance to the music of Swiss yodelers, delighting young and old alike. We invite you to come to our fair community to watch and listen to this rare and charming reminder of Old Switzerland amidst the splendor of our high alpine mountain home.

Charming Swiss Glockenspiel In Historic Midway, UT Town Hall

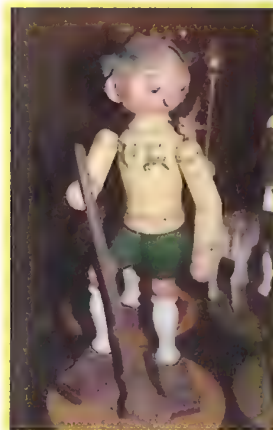

A "musical clock glockenspiel" is a group of ethnic figurines dancing or enacting a scene from the history of a city or country. There are several glockenspiels in Europe, the most famous one located above the Marienplatz Square in Munich, Germany. There are others located in Germany as well as Switzerland, Czech Republic and Japan.

The small Swiss community of Midway City, Utah is delighted to be home to an authentic Swiss-style glockenspiel. Originally installed in the town hall in 1987, the Midway glockenspiel has recently been rebuilt and is in operation daily to the delight of local citizens and the many tourists who visit our beautiful alpine mountain community.

Motion to change time of monthly Booster Mtg. to 7:00 p.m./approved

Letter from Boosters in Midway Newsletter about Swiss Miss Royalty and Youth cleanup of the cannery will be done by Fred

Tonya came and talked about Crèche. Still owe \$2500.00 to Homestead from last year. She felt Homestead didn't do what they said they would do and she questioned the bill from them. Motion was presented to take lead with officers and go to Homestead and question bill. Tonya would like to do the advertizing herself next year. She would like to clean up and amend contract with Homestead and exclude the \$2500 for advertizing. Vote taken and approved. Vote taken to have Crèche every other year. Didn't pass

Swiss Days committee nominated Andy Pierce for President elect for 2014. He was presented to boards and approved by board. Andy is coming in late for this year and board decided 2015 president-elect needs to be approved earlier in the year.

There was no Midway City report

Scholarships were discussed: Shane Kelley at the high school will come in person to the board and tell us what they are going to do with the scholarships. He will discuss requirements and how they apply. We gave \$600 toward the \$1000.00. Wasatch High matched with the \$400.00 Motion to provide 5 -\$600.00 scholarship was approved.

Swiss Miss is ready for 23rd pageant. Need help with set-up of Thurs. for Fri. Aja asked for volunteers. Café Galleria donated bagels/cream cheese and 7 pizzas. Linda Densley will do sandwiches for judges on Sat. There was a discussion about photographer and a pmt to him. He would like us to pay entry fee to Swiss Days. The board came up with 4 options: pay nothing,* opt. to pay \$375 or ½ of booth fee, opt. to pay \$500 or opt. to pay entire booth amt. After discussion, decided on opt. to pay \$375.00.

Merchandizing by Kay regarding move from Down Hall to cannery. She encouraged board members to come see new room.

Presented board with names for Honorary Citizen and speaker: Jerry Springer and Doug Wright as speaker. Motion presented and approved. Fireworks are paid for this year and 2014 fireworks need to be paid in Aug or Sept. of this year.

Cannery discussion: Linda Densley needs to be out by the end of March. She needs to pay \$200.00 for utilities. Motion was presented and approved that if Linda stays past March; her rent will go up to \$200.00 per month.

Lawn contract of \$25.00 per wk to mow the lawn at the cannery will not be done this year. City was suppose to run a pipe for water line and didn't do it. Motion to explore cost to put sprinkler system in front of cannery and it passed. Executive board will meet with architecture to set priorities for improvements on the cannery.

Projects under consideration for 2013 Booster projects was discussed. Town Hall stage speaker offer was withdrawn with city.

Motion to adjourn at 9:30 and approved

Spring Cleaning For the City

SPRING! A word that awakens thoughts of sunshine, bright smiles, new beginnings, and most of all, dusting off the winter blues and doing some good old Spring cleaning!

The annual City Spring Cleanup will be held on Saturday, May 4th from 8:00am – 11:00am. Residents are encouraged to bring shovels, rakes, brooms and gloves to one of the five City parks (Hamlet, Valais, Centennial, Town Square or Alpenhof) or the Cemetery beginning at 8:00am. A Public Works employee will be on-hand at each park with a list of project

The City will furnish all trash bags, and trucks will be picking up trash before, during and after the clean-up.

As a thank you to residents who participate in the clean-up, a City sponsored lunch will begin at 11:00 in the shelter at Town Square which is always one of the highlights as stories are shared and a sense of community pride is in the air.

If you would like a map showing the location of each of the parks, please stop by the City office. There is always plenty of weeding, removal of old limbs, and other types of clean-up that the entire family, young and old, can participate in. So join us! You'll be glad you did.

Open Elected Offices

Midway City will elect a mayor and two city council members during the 2013 Municipal Election. The mayor and each council member will serve a term of 4 years. Qualified individuals may complete a Declaration of Candidacy at the City Recorder's office at the Midway City Office Building, 75 North 100 West, Midway City. Office hours are weekdays between 8:00am to 5:00pm. House Bill 403 amends the candidate filing date for municipal elections to new dates of **June 3 – June 7, 2013.**

Qualifications To Be A Candidate Are:

1. Be a United States Citizen at time of filing.
2. Be a registered voter.
3. Be a resident of Midway City or a resident of a recently annexed area for at least 12 consecutive months immediately preceding the date of the election.
4. In accordance with Utah Constitution Article IV, Section 6, any mentally incompetent person, any person convicted of treason or a crime against the elective franchise may not hold office in this state until their right to hold elective office is restored.

Currently holding the office of mayor is Connie Tatton. Currently holding the two council positions, open for election, are Colleen Bonner and Steve Ashton.

Please contact the City Recorder's office if you have any questions at 435-654-3223 extension 104 or extension 118.

Olivia Giese - Swiss Miss 2013 • Daughter of David & Bettina Giese

Olivia is a wonderful sister to two brothers & one sister. She is proud of her German heritage, can prepare Wienerschnitzel with Spaetzli & a black forest cake for dessert! Olivia is excited to represent Midway, a place she loves to call home. She enjoys hiking, going to camp, playing sports such as soccer & basketball & being on the swim team. Olivia has performed with the Swiss Children's Chorus, Timpanogos Valley Theatre & has enjoyed preparing this year's Swiss Miss program. She will be in the 6th grade this year, & the first day of school is her birthday! She was on the Student council in 4th & 5th grade, & plays the cello in the school orchestra. Olivia loves her new friends on the Swiss Miss Court- Welcome to Swiss Days & Swiss Christmas!

Brooke Jones – Attendant • Daughter of Christian & Elise Jones

Brooke Jones is best described as a big personality in a small package. Brooke is very energetic, has danced for 7 years, plays piano, guitar, & has been part of the Swiss Children's Chorus. She appreciates her German heritage & loves living in Midway where many families celebrate their traditions. Brooke was on Student Council at Midway Elementary, & has received the 'High Academic Achievement Award' three times. She hosts an "Imagination Station" toddler camp with her sister to help busy Moms in the summer, & has spent countless hours making & selling her crafts for Swiss Days. She is excited to be part of the Swiss Miss by helping serve in the community.

Rachel Passey – Attendant • Daughter of Justin & Elizabeth Passey

Rachel is the only girl in her family. She was born in American Fork, Utah & has lived in Highland, Heber City & now Midway. Rachel has a very bright personality! She draws others to her & is naturally attentive & kind. She loves animals & being outdoors. Rachel's interests are cross country skiing, basketball & soccer. Rachel is an accomplished musician & plays the piano & flute. In school, Rachel excels. She is a straight "A" student that will attend Rocky Mountain Middle School this fall. Rachel is thrilled to be a member of the Swiss Miss court & looks forward to the opportunities to represent Midway this year.

Ashlynn Smith - Attendant • Daughter of Tom & Stacy Smith

Ashlynn Smith is ten years old & has a gift for bringing a smile to everyone's face. Ashlynn is an accomplished pianist, & has earned all superior ratings for three consecutive years at the Heber Valley Piano Festival. Her current goal is to practice the piano for an entire year without missing a day, & she's almost there! Ashlynn's hobbies include art, especially sculpture, ice skating & riding horses. She also loves styling hair, singing & dancing, & staying up late with her friends. Ashlynn is an excellent big sister & a huge help around the house. Ashlynn's special talent is loving & serving everyone around her. She is thrilled to be part of the Swiss Miss Royalty.

Saige Sweat - Attendant • Daughter of Jamie & Brooke Sweat

Saige is 11 years old & in the 5th grade. You can usually find her curled up with a good book or an art project she's just made. She is the oldest of four children & loves to help out at home. She loves her horses, sheep, chickens, rabbit & toys. Entertaining is her passion & singing her heart's desire. She sang a solo while performing with her school's choir. She puts a stop to bullies & others to be pushed around. She wants to be an F.B.I. Agent to keep everyone safe. Saige is a social butterfly, being kind & loving to all she meets. Her mother says her as a daughter is a real treat!!!

MidwayBoosters: The Swiss Miss Pageant

The Midway Boosters were pleased to sponsor the Swiss Miss Pageant for 2013. Under the direction of Booster Representative Aja Mills, the pageant was held on March 23rd after earlier sessions prior in the month to introduce the program to the girls and their parents. The selection of our Swiss Miss and four Swiss Miss Attendants is always a difficult task and this year was no different. Eight highly qualified contestants competed for the five Swiss Miss positions. All were beautiful, talented and poised young ladies making the judges' job especially difficult.

After all the competing was over, Olivia Giese was selected as our Swiss Miss for 2013 and Brooke Jones, Ashlynn Smith, Rachel Passey & Saige Sweat were selected as Swiss Miss Attendants. The pageant contestants also voted Hailey Eaton as Miss Congeniality. We congratulate these fine young ladies on their accomplishments and wish the best of success in next years' pageant to those who didn't make it this year.

The Swiss Miss Royalty will perform in many civic events throughout the coming year such as our Small Town 4th Celebration, Swiss Days, Swiss Days Parade and Swiss Christmas. They will provide much community service and aid. Additionally, they will represent Midway City and our Swiss heritage in several other state-wide events throughout the year.

Thurs. April 11, 2013

In attendance: Fred Thomas, Doug Jenkins, Jack & Holly Zenger, Lloyd McIntosh, Lani Thomas, Bob & Bonnie Watson, Joe & Loni Linford, Carl Schoff, Cary Hobbs, Verlyn & Connie Harris, Chip & Kathey Maxfield Lisa Candland, Aja Mills, Jean Hoover, Dick Hines

Welcome by Fred Thomas

Invocation by Connie Harris

Miscellaneous discussion: Memorandum of Understanding – done Fred revised. Where to store legal documents – in file cabinet and computer file (scanned). Special event license is needed when occupying Town Square. Lynn Remund will do Swiss Days and Boosters will do 4th of July. One isn't needed for Swiss Christmas because only in Town Hall.

Insurance coverage for Midway Art Association – they want to be under our umbrella. Last year they were covered by Richard Boulter. They (MAS) will pay the \$200.00. Consensus – we could write them in but need to clarify with Richard Boulter. Cary Hobbs will do that and we should get a copy of insurance policy and file with our documents. Puppet storage (for Heidi's puppet show) – we need to get them and move to storage. Cary will take care of that. There are book shelves at the old high school and are available if anyone needs them.

Treasurer report by Don Whitehead: cannery -\$15,000 by Boosters and \$10,000 by Swiss Days. Total \$25,000 with income of \$91,300, expenses of \$100,550, we would spend \$9,250 this year. Current IMM 141K balances check 18K.

Committee reports: Swiss Miss – royalty is decided, float – what Modern Display did last year was not acceptable. Swiss Miss and parents will refurbish the float. Will do 2 songs at the 4th of July. Merchandising – will have table for July 4th program and will do 2 gift baskets for Jerry Springer and Doug Wright. 4th of July – Doug Wright has accepted. Lee Lansbury is his liaison. Discussion to buy flags at \$.25 ea. – vote taken and passed to buy 400. Need work "party" on the 3rd to set everything up. Publicity – 12 posters, Cary will promote on radio and there will be article in wave. General thought – make it more a Midway event than a 'valley' event. Cannery – Linda Densley is current in her rent. Lawn – Fred will contact Truco or some youth. Improvements to cannery – windows and bathrooms are estimated at \$25,000. Regarding the Nat'l Historic Registry, we

don't need to follow their guidelines if we don't accept government funds.
Crèche – Tonya not present. Need a couple to serve with Tonya and Mark. We could invite a couple that the nominating committee considered earlier. It needs to be identified by May. Scholarships – Cary passed out handout with criteria. Name for scholarships will be "The Midway Boosters Citizenship and Educational Scholarship". After discussion, Jack recommended one or two be "need based" vs. scholarship and citizenship. There is a light deadline, but Cary will do the best he can and Jack offered to help. Discussion about Swiss Days entertainment in town hall. There was discussion as to whether to do it or not, is it redundant. A thought was to have vocal groups with children. Will put it on next month's agenda. Do we want it at all and if so, what direction should it take.

SWISS DAYS - A COMMUNITY LEGACY

Is it too early to start thinking about Swiss Days? Maybe so, but as the Swiss Days Executive Committee for 2013 we want everyone involved in this unique event to know how much we appreciate all that you do to make it successful. We realize that as much as we might need to plan and organize for this coming year it would be nothing without the time and passion that comes through so many of you. Swiss Days has surely evolved throughout the years from its humble beginnings as a community celebration back in the forty's called Harvest Days to what it has become today - A wonderful community celebration that welcomes so many with open arms and shows those that come what we are about. Many still remember those Harvest Days and look back to them with fond memories and we as a committee, recognize our stewardship to maintain the community spirit of this event, while at the same time welcoming the many visitors who we invite to our amazing valley during the Labor Day weekend.

We believe those who come to Swiss Days from both within and outside of our community feel that there is something different and unique about what goes on here. This feeling is something that is not found in other similar types of events and is attributed we feel because of the selfless service that is provided by you - the dedicated volunteers who live in this valley. You give countless hours and days of service to make this event something special and then leave with nothing more than a t-shirt, a hat and a few new friends. It is estimated that up to 2000 volunteers give over 10,000 hours of service each year to make this event happen. We thank all those specifically from Midway, Charleston and Wallsburg for the role that you play in making this event happen each and every year. It may sound cliché but, "we couldn't do it without you!"

There is no question that Swiss Days generates some financial income that is used both inside and outside of our community, but this isn't, and in our opinion shouldn't be, the primary focus of our volunteer service as the relationships that have been and will be developed will last much longer than anything money can buy. The Midway Boosters who sponsor the Swiss Days Festival each year have been great custodians in directing the funds that do come in toward programs that greatly bless our community - programs such as the main street beautification project, the town hall restoration and other historical home preservation, student scholarships, the annual Crèche exhibit, and the many art organizations that benefit the entire Heber Valley.

Having said all of this, we also recognize that not everyone is excited about Swiss Days and may even look forward to getting out of town that weekend to avoid the crowds. As with any event or organization we understand that there is room for improvement. It is our hope that if for any reason you have been involved in the past and no longer are you may consider giving it another try. We have created a comment section on the Swiss Days website at www.midwayswissdays.com, where you are invited to leave your comments. We will do all that we can to try and improve everyone's experience. Likewise, if you would like to participate as a Swiss Days volunteer, but don't know where to begin, please leave your information in this same comment section and we will contact you with information about the many ways your service could benefit Swiss Days.

Yours gratefully,

2013 Swiss Days Executive Committee

Attn: Mr. Todd Hicken

Dear Todd,

The Midway Boosters Executive Committee would like to take this opportunity to personally thank you for your contribution of photography work during our 2013 Swiss Miss Pageant and for similar contributions in previous years. We are very grateful to you for your willingness to support this highly visible community activity sponsored by the Boosters. Please accept our deepest thanks.

In last month's Board meeting your contribution was discussed and it was acknowledged that you, along with others, selflessly and regularly perform services for the community without compensation. There are, some occasions, however where the Boosters find it necessary to compensate individuals or businesses for their time and talents. Aja Mills, Chairman of the Swiss Miss Pageant, has advised us that you would appreciate the Boosters reducing your fee for a booth space at Swiss Days. Unfortunately we cannot do that as management of the Swiss Days Festival is the exclusive responsibility of the Swiss Days Executive Committee and we do not wish to impinge upon that authority.

We are very pleased that you have given so much of your personal time and talents over the years to help make the Swiss Miss Pageant a success. With deep appreciation the Booster's Board would like to offer you a donation in the amount of \$375.00 to help offset your expenses associated with the 2013 Pageant. As we look forward to next year, we would like to continue to have your support with photography in the Swiss Miss Pageant. Further, we would be willing to discuss with you any thoughts or ideas you might have regarding our continued relationship in this event. Please let us know if you would like to discuss this further.

Again, we express our sincere thanks for all you have done and we wish you well.

Thank you so much for supporting the VETERANS OF WASATCH COUNTY by paying for the hats we give to our VETERANS at our VETERANS DAY PROGRAM. These hats are very popular and have been a great tool in our efforts to reach out to VETERANS.

Being involved with the city has given me a chance to hear and learn more of what the BOOSTERS DO FOR OUR CITY AND THE GREAT PEOPLE WHO LIVE HERE. THANKS FOR ALL EACH OF YOU DO.

WE WOULD LIKE TO REQUEST A DONATION OF \$600. FOR OUR HATS AGAIN THIS YEAR. WE WOULD ALSO LIKE TO INVITE ALL BOOSTER MEMBERS TO OUR VETERANS DAY PROGRAM HELD ON TOP OF MEMORIAL HILL ON NOV. 11th (MONDAY) (VETERANS OR NOT)

Thanks For EVERYTHING

Welcome by Fred Thomas at 7:02 pm

Invocation by Joe Linford

Midway City Report by Mayor Connie Tatton: Need 72 flower baskets for Main St. they are \$48 a basket; they will be a little bigger not just starts. Asked the boosters to buy silk flowers to put under windows in flower boxes on town hall, it will cost \$500-\$600 for the silk flowers. The flowers will be delivered at 8am on June 8, 2013. We need to make sure to not put any decorations with iron on it in the pots outside of town hall. Please make sure to ask City Council Members to sit on the stand for the 4th of July. The top ½ of Pine Canyon Rd. will be fixed starting next week. It is then planned to enclose the space between town hall and the community center with grass, and a fountain, also the side walk on the north wing and road will be straightened out, could be a little messy for a while. The Midway Art Association has claimed that they fall under boosters and do not need to pay for the community center for the 4th of July. This was not the case, Fred Thomas will follow-up with the Midway Art Association.

Miscellaneous Business:

It was voted on that the Midway Boosters would cover the Insurance for the Midway Art Foundation. Motioned by Cary Hobbs, and seconded by Joe Linford. The Puppets are being moved Monday. Memorial Hill has asked for \$600 to buy hats. Kay Whitehead brought up that we gave \$600 last year for hats and questioned the donation. There was an open discussion about the donation. Tonya Hoopes motioned that we donate \$600 to Memorial Hill for anything they would like to use it for, the motioned was 2nd by Lani Thomas, and was approved. It was proposed that we become a \$1000 sponsor for Cowboy Poetry. Loni Linford motioned to sponsor \$1000 for cowboy poetry, 2nd by Cary Hobbs, all in favor. Fred has been working to get with Impact Photography.

Committee reports:

Merchandising – Kay Whitehead reported that everything is going well; everything that has been ordered has been delivered. Kay and Anne will finish ordering additional merchandise.

Crèche – Tonya Hoopes reported that Becky Anderson will be moving and has offered for us to use her Crèche's but will not be coming up to help. Tonya received calls from several past committee members stating that we should cancel the Crèche. There was a discussion about moving weeks or moving the location to the community center. Tonya will come back with a full report and suggested committee members next month.

Scholarships – Cary Hoobs reported we are all set, they will be given on need base for Midway seniors. Kay Whitehead questioned if we should be doing need based scholarships as others finances were not our responsibility, it was explained that we will not see the finances as we do not select the winners.

Cannery – Linda Densley owes for April and May. She has been notified that she will need to vacate by June 1, 2013. The back area needs to be weeded. Tonya Hoopes has put a proposal in front of the executive board to rent the cannery for Hoopes Weddings and Events. The plan is to have Tonya rent office space from the city in Town Hall until after Swiss days, but have her rent a space in the back of the Cannery for storage starting right away, more information to follow at next months board meeting. 2 different bids are being worked on to start the renovations on the Cannery, it was decided we need at least 3 bids. There is a plan to create an ongoing 10-year permanent committee for the remodel, to create consistency and see through modifications.

Swiss Miss – Aja announced the Swiss Miss would be at the store collecting donations for March of Dimes on Saturday.

Meeting adjourned at 8:25

WASATCH COMMUNITY
FOUNDATION
www.ourwcf.org

Dear Fred,

We have a moment to reflect back on the latest year of scholarship awards by the Wasatch Community Foundation to the graduating seniors of Wasatch High School. As the result of your generosity, we celebrated a record year in which the Wasatch Community Foundation awarded over \$147,000 to over 120 students!

There are many stories that we could tell you of students who are able to pursue their goals of higher education because of the assistance they have received through a Foundation scholarship. Perhaps, just one will help you understand the impact that your giving has had upon the lives of these young men and women: one student who is receiving a scholarship this year is the first in his family to graduate from high school, let alone attend college. With the financial support he is receiving through a Foundation scholarship, he will be pursuing his degree at Weber State University, and changing the course of his life, and that of his family's, through receiving an education. He and so many others may not have had an opportunity to attend school this fall were it not for the assistance given by the Foundation's many donors who participate in the scholarship program each year.

This year, the students who were selected to receive the Midway Boosters scholarships were Caden Damiano, Oliver Fellows, Madison Kieffer, Kati Murphy, and Abigail Snow.

We are delivering a small token of our appreciation because we want you to understand just how much we value your willingness to give each year in order to make it possible for WHS graduates to continue their education. Our community is a very special place, made more so by the individuals and businesses who are so willing to become involved and support programs such as the Wasatch Community Foundation scholarship program. Please accept our most sincere "Thank You" for all you give.

Sincerely,

Midway Boosters to commemorate Small Town July 4th Celebration

SPECIAL TO THE WAVE

At 6:00 AM the City of Midway will be awakened with the sound of canon fire, as a signal for all to arise and come to the Town Square for the annual 4th of July sunrise program. The event begins at 7:00 AM with a Color Guard of Viet Nam veterans posting the Flag. Swiss Miss Royalty will again perform, along with the Swiss Choir and Swiss Bells, being conducted by Britt Hanks. This year's honored citizen is Jerry Springer, well known for being the historian of Midway. He will be introduced by Fred Thomas, this year's Booster's President.

The featured speaker this year is Doug Wright, popular TV morning talk show host, well known for his roots in Utah and insights into history and government. Those who arrive early will be given an American Flag. Bleachers are available for seating, but those who can may wish to bring folding chairs as seating may be limited due to the large numbers that are expected to attend this event.

JULY 3, 2013

Midway's Honored Citizen for 2013 — Jerry Springer

SPECIAL TO THE WAVE

If you were to ask a dozen residents of Midway, "Who is the town historian," only one name would come up. Jerry Springer is the acknowledged expert on the history of Midway. He has been selected by the Midway Boosters Board as this year's honored citizen for his many contributions to the City, and with special tribute for his years of dedication to preserving the history of this community.

Jerry's father, Beryl Springer, was born in Midway and married Tura Holm, a Park City resident. Beryl was involved in mining for most of his life. Jerry was born in Bishop, California in 1937 and spent his early years living with his parents in various mining camps in California, Nevada and finally in Park City, Utah.

From the second grade through sixth grade, Jerry lived in Midway with summers out of state. In the late 1940's the family moved to Pleasant Grove, Utah. He graduated from Pleasant Grove High School in 1955, and later attended Utah State University and Brigham Young University.

Jerry's association with the Midway Boosters is unusual, because it goes back for generations. His family played a major role in the creation of the organization. Beryl and Tura lived in Midway in the 1940's and were part of the group who created the Midway Boosters Club in 1947. Beryl was elected as the club's first "by-laws and rules" chairman, commonly known as the "tail twister." His duty was to insure that the rules and by-laws were followed in all the meetings. At that same meeting Reed Kohler was elected President and the Kohler and Springer families teamed up to construct a float for the first Harvest Days Parade. Jerry has photographs and movie film taken by the Whitley/Springer family of that first parade.

Jerry's grandparents, J.R. and Lydia Springer, were made Booster members at that same meeting, along with his aunt Pauline and her husband Joseph Erwin who were the owners of the Luke's Hot Pots Resort in

Midway. The resort became the official meeting place for many early Booster meetings.

During the years 1947 through 1952 the Booster Club sponsored Midway Harvest Days, and in 1953 it was decided to focus the event on a Swiss theme and to designate it "Swiss Days." Jerry's grandfather, J.R.

Springer, was part of the 5 person committee who oversaw the first event and his grandparents were listed on the first Swiss Days brochure as "Patrons of the first Midway Swiss Days."

Since the 1890's the Springer family has owned a 3 acre pasture west of the Ice Rink on Town Square. Through the 1980's Jerry allowed booth owners and workers to use that pasture to park trucks, trailers, and cars. It was not unusual to have 50 vehicles parked there during a Swiss Days event. The Springer family did not charge a fee for the use of this land. Ultimately the damage to the ditches and the installation of a pressurized irrigation system forced this to stop, but this was illustrative of the support and dedication to Swiss Days and Midway that has been the hallmark of the Springer family.

Numerous groups in Midway and Heber City have invited Jerry to make presentations to their members regarding the history of Midway. These presentations are filled with interesting facts about the history of the city and liberally peppered with photographs of early homes, the resorts, the movie stars and entertainers who came to enjoy the City's two resorts. Schneitter's and

Luke's Hot Pots were major attractions for Hollywood celebrities and other entertainers. For the past decades Jerry has graciously made his collection of photographs and memorabilia available to interested groups and National Parks Visitors Centers.

He was employed by the State Office of Education as a Vocational Rehabilitation Counselor, working from the Heber office and later in Provo. He worked with individuals with emotional and physical handicaps, training them for employment that would be compatible with their disability.

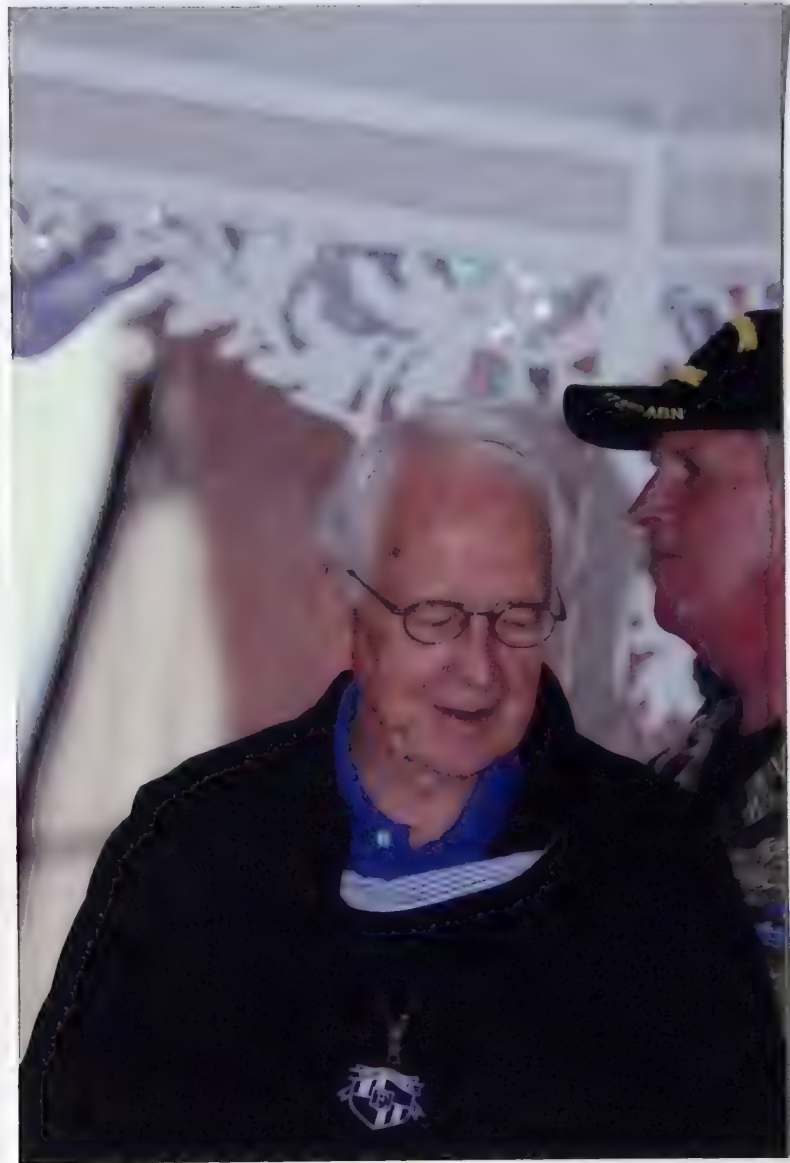

Jerry has been involved in the City as a volunteer and as a special appointee by the Mayor as a member of the Midway Historic Preservation Committee, the Midway Town Hall Restoration Committee, and as a frequent contributor to the Midway Newsletter. Mayor Tatton recognizes and appreciates all of Jerry's contributions and feels he is an excellent choice as Midway's Honored Citizen for 2013.

He has been active in the LDS Church with a variety of callings in his Ward and the Midway Stake. He currently serves as the Ward Historian (no surprise) and as leader of the Ward Singles organization. He has also been a volunteer for the Wasatch County Sheriff's Search and Rescue group and has served on committees for the Wasatch County Fair, Historical mining displays, including some that are permanent, have been created by Jerry for the Midway Elementary School, the Senior Citizens Center in Heber City, the Heber City Offices, the DUP display in the old Wasatch Stake Center and at the visitor's centers at Jordanelle State Park and Wasatch Mountain State Park. For more than 20 years he has been a lecturer at numerous National and State Parks and Forests in several Western States.

Jerry and the late Karen Springer are the parents of six children; CherLynne, Taylor (Logandale, NV), Trent Springer (Herriman), Raechelle Heinrich (Littleton, CO), Sarah Lindley (Heber), Hazel Springer (Salt Lake City) and Robyn Diessner (West Valley City). He has thirteen grandchildren.

Swiss Days Preparation Update by Lynn Remund: will meet each Tuesday nite in the month of Aug. with everyone. Food is ordered and everything is set to go.

Midway City report: Connie Tatton is excused for health reasons. Card sent to her from board.

Midway City report by Dick Hines: He complimented Jack Zenger for a great job done with the program. He also talked about the landscape between the Community Center and Town Hall. Sod will be done in 10-14 days. A water project will be next year. There will be road construction, paving Canyon Rd. starting on the 19th. It will be done by Swiss Days. Talked a little about Midway and how it is growing. There are 77 out of 80 permits issued for new homes right now. More than ever before. Gazebo belongs to Boosters. Told about all new mechanical equipment will be installed for ice rink. (\$250,000 spent). Rink will be open (Nov. 15th) for Swiss X-mas and fees will stay the same.

Committee Reports:

Swiss Days entertainment by Kim & Jean Hoover: inside entertainment is under way. They have made contact with everyone. Would like MC to announce outside for what is going on inside. Lynn Remund reported that 10 tables will be ordered tomorrow. Food prices will be the same as last year.

4th of July review by Jack Zenger: physical arrangement was great. Program was wonderful. What he felt didn't go well was the publicity. He said it was weak. Recommended a committee to manage it next year. Extra flags are stored for a later date.

Crèche' report by Tonya Hoopes. Welcomed new committee members, James & Meredith Hendricks: Sat. November 23rd the decorating committee will start to decorate. Clean up will be the nite of Dec. 10th. Crèche' will run the 6th, 7th, 8th, 9th, & 10th.

Talked about combining both Swiss x-mas and Crèche together with large tent between bldgs. for food vendors. Publicity will be done together with a committee.

Merchandizing by Kay: Made just \$250 on 4th of July and questioned about continuing next year during the 4th. Ready for Swiss Days. The charms are in and asked about donating charms to Swiss Miss Girls. It would be \$65.00 and she was told to go ahead and give each girl one.

Cannery report: Fred said cannery was professionally cleaned for \$437.00. Linda Densley was charged 1/2 of the fee. They also need a second sprinkler quote and Kim Hoover agreed to get a second quote. Sherry Owens is watering the flowers for us. Established permanent committee for on-going remodel committee: Lynn Remund said Wendy Sorenson would represent Swiss Days committee. Discussion about cannery committee. It was voiced about couples vs. single members. Opportunity to buy Art Gallery that is attached to Cannery: It is for sale with an asking price of \$250,000, which the executive committee felt was too expensive and also wondered what it could be used for. No further discussion at this time. Emails to be sent to each board member for August mtg. to do group photo. Asked that each board member PLEASE attend because this will be the last meeting that the Linfords will attend. Photo at 7:00

Booster Cannery Project for 2013: A new roof for the cannery

The cannery before the new roof

The cannery after the new roof

Old Cannery Building Gets New Roof

You may have noticed there is a crew of roofers busily removing roof shingles from the Old Cannery Building on Main Street. Work was begun on Oct 2nd to remove three old layers of shingles and replace them with a new 50 year metal roof similar to that currently installed on the attached Edelweiss Gallery. Along with the new roofing, soffit, fascia and trim boards are being upgraded and sealed to prevent entrance of unwanted pests.

The old roof was recently inspected and found to be in bad condition. Also, it was discovered that the roof has been re-shingled twice over the original cedar shakes. The Engineering Company estimated the two additional layers of shingles added an extra 120,000 pounds to the roof structure before any snow loads. Current building codes require all old shingles to be removed and new sheeting to be installed and inspected before the new metal roof is installed.

In addition to the roof, the Cannery Building is badly in need of repairs and upgrades to ensure its continued use as a storage facility and kitchen bakery for Midway Swiss Days. The Cannery Building is owned by the Midway Boosters who are responsible for its maintenance and improvements. To implement those needed repairs and improvements, the Midway Boosters have formed a Five-year Cannery Building Committee to assess the building's needs and oversee design and construction work. Included on the committee are Chip Maxfield, Committee Chairman, Fred Thomas, Don Whitehead, Kay Whitehead, Kathey Maxfield, Lloyd McIntosh and Wendy Sorenson.

Before

After

Architect, George Olson, who has designed many of the esthetic new buildings in Midway will act as a consultant to the Committee. Some of George Olson's designs are the Town Hall exterior modifications, The Store, Robert Duncan Studios, the City Building and a proposal for appearance changes to the Community Center.

Contingent upon the availability of funds, planned improvements for 2014 include: 1) the repair or replacement of windows, 2) sealing of parking lot, and 3) replacement of bathrooms. Following in 2015 are upgrades to Swiss Days storage shelving and modernization of the kitchen facilities to ensure continued service for Swiss Days food preparation.

The Midway Boosters are committed to the preservation of our City's unique culture and heritage. Our obligation to responsibly preserve and beautify this historic and cherished old building to ensure its long term viability in support of Midway's Swiss Days Celebration is, and will continue to be one of our highest goals.

Thank
You!

Fred,
Thank you so much for all
you do for the Children's
Swiss Chorus. We really appreciate
it. Thank you for the opportunity
to direct the Children's Chorus.
I would love to do it again,
and I'm planning on it - if
you would like me to direct.
Thank you so much for all your
help & the meal tickets - the kids
LOVED it!
Thank you, ~~Ann~~ D Remund

Small Town Christmas & Holiday Events

SWISS CHRISTMAS

Join us on Friday and Saturday, December 6th & 7th for the annual Swiss Christmas celebration.

Enjoy a traditional old-fashioned town party with gifts and delicious food for purchase at the Midway Town Hall. Christmas entertainment will be featured on the Town Hall stage 5pm-8pm Friday and 10am-8pm on Saturday.

Father and Mother Christmas will be visiting the children Saturday from 12-2pm, and more than thirty vendors will be selling their unique Christmas gifts and hand-crafted items in booths throughout the Hall.

Please come and enjoy our "old fashioned" celebration with your friends and neighbors. As always, we will be entertained by the Swiss Miss Royalty, children's dance groups, Christmas music performers and carolers. The charm of the old Town Hall, and recently refurbished Glockenspiel clock, is sure to make this a great Swiss Christmas.

Interfaith Creche Exhibit

Come feel of the true Spirit of Christmas as you view a spectacular collection of nativities from all over the world at the 15th Annual Interfaith Creche Exhibit. Bring the entire family and enjoy live musical performances, visit the children's room, and have your family photograph taken in full costume in a manger.

Exhibit hours will be Friday, Saturday & Monday, December 6th – 9th, 11:00 am to 8:00 pm at the Midway Community Center, 160 West Main Street..

ICE RINK OPENING IN DECEMBER

The City Council approved \$250,000 to purchase a high efficient mechanical system to power the ice rink, which will significantly improve making and maintaining an outstanding ice surface. Come and enjoy ice skating at the most beautiful outdoor rink in Utah!

Town Christmas Party

Come and celebrate with us at the Town Christmas Party on **Monday, December 9th**. Admission is free and there will be a program with performances from the Swiss Miss Royalty, the Swiss Children's Chorus and Star Shine Studios. Everyone will receive a bag of candy and Santa will be there to meet all the kids! Festivities begin at **7:00pm in the Town Hall**. All residents are invited. We look forward to seeing you there!

REMINDER

To help prevent freezing pipes when temperatures start dropping below 32°, remember to leave an outside tap running (about the size of a pencil thickness) in a hose directed away from your home. This is especially important in the old parts of town where the pipes are not buried as deep and are more susceptible to freezing.

The Midway Historic Preservation Society has obtained a grant to produce a book documenting the historic homes of Midway and their original architectural looks. If you have pictures of any homes over 50 years old, please contact Carl Jones 435-671-6848 or Jerry Springer 435-654-8654. The Committee would make digital copies of your photo(s) and would then return the originals unharmed. The Society would like to showcase as many homes as possible in this publication.

Snow Season Reminders for Residents

Snow season is knocking at the door, and with the season comes responsibilities. Here are some reminders from the City to review and make sure your property is ready for winter.

Parking. Vehicles parked on a public street or right-of-way for more than 48 hours will be towed at the owners expense.

Mailboxes. It is the duty of the property owner to remove accumulated snow and windrows of snow from over and around mailboxes for a distance of not less than three feet on all sides. The City is not responsible or liable for damage or destruction caused by the City or any other person or entity to sprinklers, mailboxes, lights, plants, trees, shrubs, landscaping or other improvements of any kind located within the public right-of-way.

Snow Removal Priorities for Public Streets. The City may provide snow removal on public streets on a priority basis.

First, major City roads (Class A) and school bus routes; **Second**, main City roads (Class B); **Third**, minor City roads (Class C) and cul-de-sacs; **Fourth**, other City roads (Class D). It shall be the duty of every homeowners association, property owner, or other entity having control over a private street to provide regular and adequate snow removal service.

Snow Storage on Site. It is the duty of all property owners and property owners associations to make arrangements for the storage of accumulated snow. All owners, associations, employees, agents and contractors, shall confine the accumulated snow to their premises. Snow from private property shall not

be placed, shoveled or pushed onto public property, roads or rights-of-way.

Parking During Snow Cleanup Periods. From November 15th through April 1st it is unlawful to park any vehicle within three feet of any City street or public right-of-way in all residential zones during snow clean up periods. These periods begin with the start of the snow falling and continue over the next 24 hours or until snow removal has occurred. It is the duty of a property owner to clear the sidewalks at the perimeter of his/her property within twelve hours from the end of each snow storm. It is unlawful for any person to remove snow from private drives or property and deposit it on any City street or public right-of-way.

" A Gift to the Community" December 23, 2013

Midway Boosters Host Swiss Christmas the Creche

The Midway Boosters are very pleased with the community turnout and support for Swiss Christmas and the Creche Exhibit earlier this month. Festivities began in November when Booster members met to decorate the Town Hall in the season's finery and set the clocktower ChimeMaster to play Christmas carols every 15 minutes from 9:00am to 9:00pm. If you haven't had the opportunity to listen to these beautiful carols on the *carillon of bells*, come to Town Square to listen to the music and feel of the Christmas Spirit there.

Swiss Christmas was well attended this year and was made all the more special with the help of Mother Nature who provided a beautiful new coat of white for the occasion. The entertainment was excellent as visitors and shoppers flocked into the Town Hall to listen and to shop for Christmas gifts in the many booths. Performances by the Children's Swiss Chorus and Swiss Miss Royalty were particularly well done and Mother and Father Christmas were there to greet all the youngsters. New this year was a food tent where Swiss/German food was served to warm up our visitors.

Also new this year was the location of the *Creche Exhibit*, which was located next door at the Community Center. The proximity to the Town Hall was very

convenient and visitors were able to experience both Swiss Christmas and the Creche Exhibit together. Festively adorned with Christmas decorations, the Community Center was very beautiful and provided a fitting setting for the many nativities which provided a solemn and spiritual interfaith experience in remembrance of the birth of our savior.

A final event for the year 2013, "*A Gift to the Community*", with performances by the Swiss Chorus under the direction of Mike Siggard and The Swiss Belles under the direction of Britt Hanks, will be held in Town Hall on Monday evening, December 23rd at 7:00pm. Come out and enjoy the Christmas Season with this special presentation.

The Midway Boosters extends deep felt thanks to all those who helped with the setup and staffing of Swiss Christmas and the Creche Exhibit, and to the City who made it possible to exhibit in Town Hall and the Community Center. We wish you all a very Merry Christmas and Happy New Year and look forward to serving the Midway Community next year.

Britt Wilde Hanks retires as Director of Midway Swiss Belles after 20 years of service

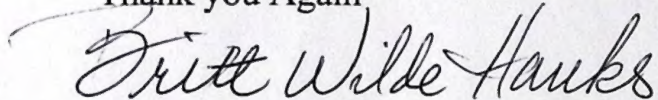

To the Midway Boosters
12-31-2013

Thank you so much for the privilege for being the Director of the Swiss Belles for these many years. It has been a joy.

But the time has come that it is needful for me to "turn in the baton." Thank you so much for your support of our group, all our needs have always been met.

I will be honored to be of assistance in interviewing and training a new director if needed.

Thank you Again

Britt Wilde Hanks retires as Director of Midway Swiss Belles

SPECIAL TO THE WAVE

On Monday, December 23, 2013, the Midway Swiss Belles under the direction of Britt Wilde Hanks and the Midway Swiss Chorus under the direction of Mike Siggard will present their annual Christmas Concert, "A Gift to the Community", in the Midway Town Hall at 7:00pm.

This will be Britt's final performance as she will be retiring after nearly 20 years of directing the "Belles". During this time, Britt and the "Belles" have performed in nationally at several Utah locations, Las Vegas, NV, New Mexico, Wisconsin and Nauvoo, Illinois, as well as internationally in Canada and Mexico. Locally, the Belles have performed at Abravanel Hall with Kurt Bestor, who lovingly calls Britt "The Bouncing Norwegian".

Britt says her time with the "Belles" has been a wonderful experience, one she will always remember with love and appreciation. Britt warmly thanks her

"Ringers" who have served with dedication over those many years of community service. Britt also thanks the Midway Boosters for their support of the Midway Belles and she gives a great big thank you to her dear friends, the wonderful Wasatch County fans for their support and love. She hopes to see them all at her final performance on December 23rd.

The Midway Boosters would like to express their sincere appreciation for Britt's excellent and professional service as Director of the Midway Swiss Belles. Fred Thomas, President of the Midway Boosters, says, "Britt has always been a shining star in all of our Midway activities including Swiss Days and the Small Town 4th of July Celebration. She leads the Belles with enthusiasm and professionalism rarely found today and will be very hard to replace. She has served our community very well and we sadly accept her resignation".

Anyone interested in serving as Director of the Midway Swiss Belles should contact the Midway Boosters.
